AGREEMENT FOR ENGAGEMENT OF INCOME TAX SERVICES

TAXPAYER(S) NAME: _____

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. To ensure an understanding of our mutual responsibilities, we are asking you to confirm the following arrangements.

We will prepare the 2022 Form 1040 US Individual Income Tax Return and the following requested State Tax Returns from information which you will furnish to us.

We will make no audit of or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information. We will furnish you with questionnaires and/or worksheets as appropriate to guide you in gathering the necessary information. We will use professional judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions.

This engagement pertains only to the tax year identified above. It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, canceled checks, and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. In the event information is requested by any of the parties signing this return, that information will be furnished without obtaining the additional consent of any other party. You have final responsibility for your tax returns. We will provide you with a copy of your tax returns and accompanying schedules and statements for review prior to filing with the IRS and state and local tax authorities, as applicable. You agree to review and examine them carefully for accuracy and completeness.

You will be required to verify and sign a completed Form 8879, *IRS e-file Signature Authorization*, and any similar state and local equivalent authorization form and return this to our office before your returns can be filed electronically. In the event that you do not wish to have your tax returns filed electronically, please contact our firm. Additional procedures will apply. You will be responsible for reviewing the paper returns for accuracy, signing them, and filing them timely with the tax authorities.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover fraud, embezzlements, or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns. We will retain our work papers and a copy of your tax return for your engagement for six years. All of your original records will be returned to you with your tax return. If you should need additional copies of your tax return, we will provide that directly to you for an additional fee.

Your returns may be selected for review by the taxing authorities. If your tax return is selected for examination or audit, you may request that we assist you in responding to such inquiry. In that event, we would be pleased to discuss providing assistance to you under the terms of a separate engagement for that specific purpose.

Fees for our services are based on our normal firm rates; you may request an estimate of that fee upon submission of your information. Prepared returns may not be released or electronically filed without full payment. If you fail to pay for our services in full on or before the due date set forth on our invoices, statements or fees, we reserve the right to assess you with a monthly service charge equal to 1% of all fees and

disbursements which are past due. This monthly service charge will be billed to you at the beginning of each month in which a late payment occurs. In no event will the service charge be greater than permitted by any applicable law.

Our maximum liability to you arising for any reason relating to services rendered under this letter shall be limited to the amount of fees you paid for these services. In the event of a claim by a third party relating to services under this letter, you will indemnify us from all such claims, liabilities, costs and expenses, except to the extent determined to have resulted from our intentional or deliberate misconduct. If any dispute arises (between/among) the parties hereto, the parties agree first to try in good faith to settle the dispute through non-binding mediation. The costs of mediation shall be shared equally by the parties.

The parties agree that, if any dispute cannot be settled through mediation, the dispute may then be brought before a court of competent jurisdiction, but the matter will ultimately be decided by the court, sitting without a jury. **The parties recognize they have knowingly and voluntarily agreed to waive all rights to have any such dispute determined by a jury,** but otherwise retain all rights afforded under the applicable civil justice system.

This agreement also informs you of our privacy policy (our full privacy policy is available on our web page). We value your trust and confidence and want to assure you that we keep information about you secure and confidential. We adhere to the highest level of professional ethical standards and obligations to protect the confidentiality of all client information. We do not disclose any non-public personal information about our clients or former clients to anyone. We restrict access to non-public personal information to those professionals necessary to prepare your income tax return, and maintain physical, electronic and procedural safeguards to protect your non-public information.

If the foregoing fairly sets forth your understanding, please sign the enclosed copy of this letter in the space indicated and return it to our office. However, if there are other tax returns you expect us to prepare, please inform us by noting so on page 2 of this agreement. If we do not receive the executed copy of this agreement from you, receipt of your tax return data, (and/or organizers for Individuals), will acknowledge your acceptance of the terms of this agreement.
